#### INVESTING IN OUR FUTURE

Bryn Mawr Hospital opened a 250,000-square-foot, eight-story Pavilion in 2019 that houses all new private patient rooms, a new intensive care unit, two medical/surgical telemetry units, 12 fully equipped operating rooms, a 25-bed maternity unit, labor and delivery unit and neonatal intensive care unit.

#### PHILANTHROPY

Each year, Bryn Mawr Hospital receives thousands of charitable donations, both large and small, from the community. Many donors support the Annual Fund; others choose to invest in special projects such as capital campaigns for new facilities and technology, or choose to make planned gifts, such as bequests in their will or an endowment in an area of their interest.
